## TRIPS

### Macocha Abyss | approx 4 hrs | 2 690 CZK

The Macocha Abyss, the deepest abyss (about 135 m) of its kind - the light hole - in Central Europe, is located north of the city of Brno, in the Moravian Karst cave system. It is a popular tourist attraction for casual visitors to the region, in addition to cavers.

### Hluboká nad Vltavou | approx 8 hrs | 7 890 CZK

Hluboká nad Vltavou was a favorite town of Charles IV in the South Bohemian Region. It is best known for its famous Windsor style chateau with a winter garden and riding-hall. The original royal castle from the 13th century was rebuilt in a Romantic Neo-Gothic chateau.

### Moravian Karst | approx 4 hrs | 2 690 CZK

The Moravian Karst is a nature reservation and the most important karst area in Central Europe with more than 1 100 caverns and gorges. Four of the caves (Punkva show caves with their underground river, Balcarka, Sloup-Šošůvka and Catherine's caves) are accessible to the public.

### The Lednice Castle | approx 5 hrs | 3 290 CZK

Lednice castle is a majestic, gorgeous mansion, exactly the kind of a place you imagine, while listening to. "Once upon a time there was a magnificent castle..." The rich constructional development of the present. Romantic building began as early as the Middle Ages in connection with the noted House of Liechtenstein.

### The Prague Castle | approx 8 hrs | 7 890 CZK

The Prague Castle is one of the biggest castles in the world, situated in Prague, where the Czech kings, Holy Roman Emperors, and presidents of the Czech Republic (and Czechoslovakia) have had their offices. The jewels of the Bohemian Kingdom are kept here.

### Český Krumlov | approx 10 hrs | 8 490 CZK

This charming historic town experienced its greatest prosperity during the rule of Lords of Rožmberk (1302-1602), who chose Č.Krumlov to become the seat of their kingdom. Under the rule of House of Schwarzenberg, Český Krumlov gained its Baroque appearance.
